The Unholy Beast Returns!!!

"It's not so much the feverish, rabid, frothing at-the-mouth imp-ish vocals that make Progression horrifically dark. It's the murk around them: the dragging static and hanging distortion, the echoing empty spaces and rolling waves of sound... Whitehorse handle havoc deftly: in a covert, convincing manner that could influence an entire genre of musicians. 8/10" - Decibel Magazine

"The Aussie crew's uber-brutal death-doom was impressive live, but would that cloak of darkness spread into recorded medium? Luckily, Whitehorse's Progression... expertly captures the band's dirge and destruction... Totally underrated, and devastating." - BrooklynVegan

"...this band owe their greatest debt to Corrupted, whose oppressive sonics are adopted to increasing levels of success as the album progresses, with "Time Worn Regression" bringing the formerly tame tremors of noise that course underneath the record's entirety to a fever pitch." - Exclaim!

Whitehorse has taken a genre that they dig & flipped it on its' head to make a kick-ass album. CVLT Nation

For the past seven plus years Whitehorse has gathered together members of Melbourne's underground music community to create crushingly heavy, sludge-metal layered with electronics. Drafting members from the punk, grindcore, experimental, and noise scenes Whitehorse often garner comparisons to the likes of Corrupted and Khanate. Having toured Japan, the USA and Australia, plus having released 8 audio documents on Australian, Belgian, German and US labels (Sweatlung / Sabbatical / Conspiracy / Blind Date / 20 Buck Spin), Whitehorse hit their most productive point in 2010, performing in support of several international visitors to Australia including Birushanah, Zeni Geva, Om, Lichens, Wolves In The Throne Room, Monarch, Nadja and Coffins.

Whitehorse members have performed acts including: Grey Daturas, Occult Blood, Collapsed Toilet Vietnam, Ivens, 731, Black Jesus, Breathing Shrine, Fallout, Pneumatic Slaughter, Encircling Sea, Nation Blue, True Radical Miracle and Dead Boomers amongst many more.

"Progression" was initially released Sweatlung on CD to coincide with the Whitehorse 2011 USA tour. At A Loss Recordings is happy to present both lp / digital formats to North America.

Rifle fire-esque pops and crackles with pounding percussion leads to their own brand of slow motion metal riffage all while a tag team mammoth vocal rumbles and fiendish screams accent. Measured low-end sends the listener to plodding bass / guitar all the while pops & screeches fill out the ominous sound. Foretelling roars punctuated with the sound of falling artillery shells lead to demented screams signaling all is at its worst! Noise filled slow metal leads dirge anthem and repeat!
